thyssenkrupp Elevator AG Asia Pacific

With more than 50,000 skilled employees and customers in 150 countries, thyssenkrupp Elevator is one of the world's leading elevator companies.

The portfolio includes passenger and freight elevators, escalators and moving walks, passenger boarding bridges, stair and platform lifts as well as tailored service solutions for all products. Over 900 locations around the world provide an extensive sales and service network to guarantee closeness to customers.

thyssenkrupp Elevator AG Asia Pacific Office is the regional office for Asia Pacific and the Middle East. It has a strong presence in local markets with manufacturing facilities in China, South Korea and India, plus a dense network of branches and offices in these same countries, Southeast Asia and Australia offering new installation, modernization and service business for the complete product range.
